

PistenBully

Operators Manual : PistenBully 100 all Season

First buy the PistenBully FrontHydraulic and off course the PistenBully 100 All Season from the shop.

Picture PistenBully 100 All Season and FrontHydraulic:

After you bought both machine's, drive the PistenBully up to the FrontHydraulic, and you would see this:

After you attached the FrontHydraulic, you can attach any implement which is special for attaching to the front of vehicle's, like frontmowers, silageshield's, etc.
